demonstrated the determination of the people and the educated youths to study well the theory of the dictatorship of the proletariat, resolutely support socialist new things and struggle for narrowing the three major differences, restricting bourgeois rights and consolidating the dictatorship of the proletariat.

"At 0730, the Luta Municipality meeting to send off warmly the first group of educated young people going to the countryside began amid the imposing sound of 'The East is Red'. Leading comrades of the Luta Municipal CCP and Revolutionary Committees and of the army, naval and air force units stationed in Luta Municipality attended the meeting. Present at the meeting were members of Luta Municipality's leading group for work concerning settlement of educated youths in the countryside and responsible comrades of the municipal trade union council, CYL committee and women's federation as well as the concerned departments of Chaowuta league. Attending the meeting were also the educated youths in Luta Municipality who will go to settle in the countryside this year, the cadres selected to accompany them to the rural areas and parents of the youths."

(Shiang Pao-tai), representative of the youths who will go to settle in Chaowuta league, speaking at the meeting on behalf of his comrades-in-arms, pledged to live up to Chairman Mao's expectations and the confidence the people placed in them, take root in the countryside for life-long struggle, conscientiously study the theory of the dictatorship of the proletariat, remould their world outlook on the three great revolutionary movements, modestly receive re-education from the poor and lower-middle peasants and strive to narrow the three major differences, restrict bourgeois rights and consolidate the dictatorship of the proletariat.

In his speech at the send-off meeting, a representative of revolutionary parents expressed his firm support on behalf of all the parents of the youths for the movement to settle educated youths in the rural areas.

A representative of the rural communes and brigades also spoke at the meeting, extending warm welcome to the youths.

"The leading comrade of the Luta Municipal CCP Committee spoke at the meeting on behalf of the Luta Municipal CCP and Revolutionary Committees. He encouraged and urged the educated youths to study well the theory of the dictatorship of the proletariat after arriving in the countryside, modestly receive re-education from the poor and lower-middle peasants, strive to remould their world outlook, vigorously criticize capitalism and go all-out for socialism, carry forward the same vigour, the same revolutionary enthusiasm and the same daring, death-defying spirit as displayed by the revolutionary forerunners in the years of revolutionary war, win great victories for staying permanently in the rural areas, and struggle for the consolidation of the dictatorship of the proletariat and the realization of communism."

At the end of the meeting, the educated youths bade farewell to the more than 200,000 well-wishers and marched towards the countryside.

Kirin County Allows Small Farm Plots "at Present Stage"

Changchun, Kirin provincial service 1130 gmt 28 July 75

Precis, with quotations, of report:

The leading members of the Huaite County Party Committee have resolutely used revolutionary theory to guide the fulfilment of revolutionary tasks, dared to persist in principle and followed a correct line of leadership. The local situation in revolution and production is very fine.

"In March of 1975, some basic-level cadres proposed that it was necessary to abolish the privately-owned fruit trees and the small plots of land for commune members'
